Murder in the Cathedral, by T.S. Eliot
GRIN Verlag

The last major verse written by Nobel laureate T. S. Eliot, considered by Eliot himself to be his finest work Four Quartets is a rich composition that expands the spiritual vision introduced in “The Waste Land.” Here, in four linked poems (“Burnt Norton,” “East
Coker,” “The Dry Salvages,” and “Little Gidding”), spiritual, philosophical, and personal themes emerge through symbolic allusions and literary and religious references from both Eastern and Western thought. It is the culminating achievement by a man considered the greatest poet of the twentieth century and one of the seminal figures in the evolution of modernism.

**T.S. Eliot, Murder in the Cathedral**

Murder Room

A revisionist new biography reintroducing readers to one of the most subversive figures in English history—the man who sought to reform a nation, dared to defy his king, and laid down his life to defend his sacred honor.

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KANSAS CITY STAR AND BLOOMBERG

Becket’s life story has been often told but never so incisively reexamined and vividly rendered as it is in John Guy’s hands. The son of middle-class Norman parents, Becket rose against all odds to become the second most powerful man in England. As King Henry II’s chancellor, Becket charmed potentates and popes, tamed overmighty...
barons, and even personally led knights into battle. After his royal patron elevated him to archbishop of Canterbury in 1162, however, Becket clashed with the King. Forced to choose between fealty to the crown and the values of his faith, he repeatedly challenged Henry’s authority to bring the church to heel. Drawing on the full panoply of medieval sources, Guy sheds new light on the relationship between the two men, separates truth from centuries of mythmaking, and casts doubt on the long-held assumption that the headstrong rivals were once close friends. He also provides the fullest accounting yet for Becket’s seemingly radical transformation from worldly bureaucrat to devout man of God. Here is a Becket seldom glimpsed in any previous biography, a man of many facets and faces: the skilled warrior as comfortable unhorsing an opponent in single combat as he was negotiating terms of surrender; the canny diplomat “with the appetite of a wolf” who unexpectedly became the spiritual paragon of the English church; and the ascetic rebel who waged a high-stakes contest of wills with one of the most volcanic
monarchs of the Middle Ages. Driven into exile, derided by his enemies as an ungrateful upstart, Becket returned to Canterbury in the unlikeliest guise of all: as an avenging angel of God, wielding his power of excommunication like a sword. It is this last apparition, the one for which history remembers him best, that will lead to his martyrdom at the hands of the king’s minions—a grisly episode that Guy recounts in chilling and dramatic detail. An uncommonly intimate portrait of one of the medieval world’s most magnetic figures, Thomas Becket breathes new life into its subject—cementing for all time his place as an enduring icon of resistance to the abuse of power.

**Death Comes for the Archbishop**

Bloomsbury USA

**T.S. Eliot's Murder in the Cathedral**

This book contributes to the lengthy debate surrounding the saint by providing a historiographical analysis of the major themes in Becket scholarship, tracing the development of Becket studies from the writings of the twelfth-century biographers to
those of scholars of the twenty-first century.

the text, critical commentaries, analysis of characterization, and sample questions with guideline answers. *Murder in the Cathedral* HMH

"It takes us on a journey from the charter’s medieval origins through to what it means to people around the world today. Drawing on the rich historical collections of the British Library - including two original copies of Magna Carta from 1215 - the catalogue brings to life the history and contemporary resonance of this globally important document"-- Cover flap.

**Thomas Becket** Allyn & Bacon

*Mystery At Lynden Sands,* first published in 1928, is the fourth book in author J. J. Connington’s series featuring chief-constable Sir Clinton Driffield. Set on the English seaside, Driffield encounters the return of a missing heir (who is possibly an impostor), an accidental bigamist, secret marriages and impersonations, embezzlement of trust funds, a kidnapping, and two murders. As is typical of Connington’s detectives, Sir Clinton is able to deduce impressive insights from physical clues.

J. J. Connington is a pen-name of Alfred Walter Stewart (1880-1947). *Magna Carta* Chelsea House
An examination of the themes and dramatic verse of Murder in the Cathedral and The Cocktail Party, exploring the background to Eliot's playwriting. Particular attention is paid to the role of directors such as E. Martin Browne and Terry Hands and players such as Sir Alec Guinness. Eliot's Perpetual Struggle Routledge Life skills and Test Prep 2, the companion student text, provides through practice of life skills and is linked to the unit themes and vocabulary of Center Stage. Center Stage is a four-level, four-skills course that supports student learning and achievement in everyday work and life situations. Practical language and timely topics motivate adult students to master grammar along with speaking, listening, reading, and writing skills.
